A shared commitment to a safe, respectful and supportive learning community

As SALIS students, we are proud to be part of a diverse, international IB learning community founded on mutual respect, integrity and responsibility. Guided by the IB Learner Profile, we recognise our need to feel safe, valued and able to succeed.

We will treat everyone with kindness, fairness and dignity.
We will value different cultures, perspectives and identities.
We will communicate thoughtfully and stand against bullying, discrimination and exclusion.

2 WE PLEDGE TO ACT WITH INTEGRITY

We will be honest and take responsibility for our choices.
We will submit authentic work and acknowledge the ideas of others.
We will follow all assessment and examination guidelines.
We will use technology and artificial intelligence responsibly and ethically.

3 WE PLEDGE TO ENGAGE IN LEARNING

We will come prepared, participate actively and strive to do our best.
We will embrace challenges, reflect on our progress and learn from our mistakes.
We will seek support when needed and encourage others to succeed.

4 WE PLEDGE TO SUPPORT WELL-BEING AND SAFETY

We will make choices that protect our physical and emotional well-being.
We will respect our surroundings and the property of others.
We will contribute positively to our classrooms and the wider school community.

WE UNDERSTAND

When we fall short of these commitments, we will reflect, take responsibility and work to restore trust and relationships. At SALIS, we strive to be principled, caring, open-minded and reflective learners, in school, online and in the wider world.
